

ECO+ Pack
Vehicle Protection that
won't cost the earth.

A more sustainable way to protect your vehicle.

ECO+ Exterior Surface Care with Graphene

This high performing exterior coating formula with graphene offers a **more sustainable way to protect your car's exterior**, resulting in extreme hardness and resistance.

ECO+ with graphene delivers super hydrophobic properties **creating an easy-clean, low maintenance surface**. Engineered with nanotechnology to produce distinctive beading which rolls off the surface helping take away dirt, dust and road grime.

- The once-off application adds permanent protection, eliminating the need to wax and polish.
- Helps preserve your vehicle's re-sale value.
- Comes with a nationwide lifetime warranty*.
- Provides protection against clear coat delamination.

Protects your paint against the damage caused by:

- | | | |
|-----------------|------------------------|-----------------------------|
| • Road grime | • Bug splatter | • Tree sap |
| • Fallen leaves | • Bird & bat droppings | • Rail dust |
| • Bore water | • Sunscreen | • Weather induced oxidation |

A Better Choice

This product is a concentrate, and only available portion controlled, which means **less manufacturing, less wastage.**

ECO+ Pack
Vehicle Protection that
won't cost the earth.

Protect the interior for longer lasting comfort.

ECO+ Interior Surface Care

By choosing ECO+ surface care products, you are **contributing to a more sustainable way** to protect your vehicles interior surfaces, which are designed to maintain the condition of your vehicle and provide a durable barrier against whatever life throws at it.

This range of interior surface coatings create a barrier against UV damage and staining, meaning that all fabric, carpet, vinyl and leather surfaces are treated to **protect against discolouration, as well as spills and stains.**

ECO+ interior care is a **once-off application** for a lifetime* of protection.

Protects interior surfaces against the damage caused by:

- Food stains
- Drink stains
- Discolouration^
- Dehydration
- Make-up
- Sunscreen
- Mould & mildew growth

A Better Choice

With only one layer of our concentrated water-based treatment, it beats other household aerosol protection sprays in the race to save the planet.
